

So I Begin  
Stas Jagdeyer

# So I Begin (single)

(S. Sagdeyev)

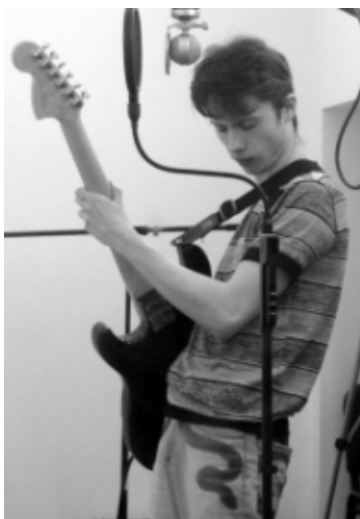

We're living in time  
When there are so many options  
But sometimes, you see  
We can't really choose  
And if not game of mind  
It's a play of emotions  
But those silly things  
Just can't make me lose

We're living in time  
When the powers are fighting  
But what if we're small  
And just want a little bit of life?  
I still believe  
And I'm hoping that someday  
There will be peace on this Earth  
for us all

Sun shines... or so what if it's raining?  
I'm gonna get out on the street  
People smiling when I say: "Hey!"  
So what if that is all I need?

Turn it on! I will be dancing!  
Music breaks out of my head  
Yes, inside I'm always sixteen! (hah...)  
So what if that was all I had?

So what if I am just a dreamer?  
I'm gonna dream of better day  
Of better time...  
Spring will come  
Things will come clearer!  
I feel love is in the air...  
Love is in the air!

What I want from this life...  
Wanna live, wanna fly  
Is it worth being suspended in time?

And no matter how long can I be chasing the dream.  
Wouldn't stop for no reason  
'Till the end will be real  
Waking up every morning  
I will happily scream:  
"Hello world! This is me!"  
And so I begin

So I begin...
